## PERMANENT ADDRESS

Hindalco Colony, Muri,  
Ranchi, Jharkhand - 835101

## PRESENT ADDRESS

Amazon Residency, D-204  
Ajwa Road, Vadodara  
Gujarat - 390019

## OBJECTIVE

Aspiring Full Stack Developer seeking an entry-level position to apply my skills in JavaScript, React, Node.js, and database management, while contributing to innovative projects that drive business success.

## EXPERIENCE

### **SUPPORT ENGINEER | APOLLO TYRES LTD, LIMDA PLANT, VADODARA**

Dec 2021 - Apr 2023

- Implemented and deployed MES (Manufacturing Execution System) solution to enhance production efficiency and traceability.
- Led a dedicated support team for plant-level software-related issues, ensuring swift resolution and maintaining a low turnaround time for IT incidents recorded.
- Monitored and managed system performance metrics to identify areas for improvement and optimise resource utilisation.

### **WEB-DEVELOPER INTER | BARODAWEB, VADODARA**

March 2025 - July 2025

- Assisting in the design and development of responsive, high performance modern web applications tailored to client-specific needs.
- Collaborating closely with senior developers, UI/UX designers, and the backend team to implement clean, scalable components.
- Gaining hands-on experience with design-to-code translation from Figma.

## EDUCATION

### **BACHELOR'S DEGREE IN COMPUTER SCIENCE & ENGINEERING**

Parul University, Vadodara, Gujarat (Expected: 2026)

### **DIPLOMA IN COMPUTER SCIENCE AND ENGINEERING**

Parul University, Vadodara, Gujarat (Completed: 2023)

### **MATRICULATION**

Ursuline Convent School, English Medium Ranchi, Jharkhand

---

## CERTIFICATIONS

- Networking Certification | Cisco
- Advance Networking Certification | NPTEL, hosted by IIT Kharagpur
- Master's in Embedded System Design & IoT | Pantech SoluMons
- 5-day Workshop on 8085 ARCHITECTURES | Pantech Solutions

---

## Soft-Skills

Strong analytical and Problem solving skill

Attention to Detail

Adaptability & Continuous Learning

Collaboration & Communication

Persistence & Ownership

## Achievements

Developed strong communication and leadership skills by effectively collaborating with teammates and seniors, improving team coordination and task management.

Gained insights into project workflows and hierarchies, understanding the end-to-end lifecycle of industrial IT projects, from planning to execution.

## Full stack Development Journey

Actively gaining expertise in React, Node.js, CSS, and HTML to architect and deploy dynamic, scalable, and responsive web applications.

## Passion

Passionate about building end-to-end technology solutions, combining full-stack web and mobile development with system-level integration.

I enjoy designing clean, functional applications, optimizing backend processes, and solving complex real-world problems through innovative and practical tech solutions.
